“ My family across the street have been neighbors since 1976. My parents and I have always loved having Charlie, Gloria, and Matthew and Charles as neighbors. I didn't know about Gloria's passing, but I suspected this when I saw several cars in front on her house and those getting out were dressed up. I wished I would have known so I could have represented my family like Gloria and Charlie did when my parents passed. I definitely am sending prayers to the family for strength, comfort, and peace during this time and as your neighbor, I can always help whenever needed in the future. God Bless Gloria and the entire Farrugia family.
