“ I’ve had the pleasure of knowing Gloria for many years. We worked together at Prudential and then Aetna. While our career paths went in different directions, we would talk frequently and catch up on work and family. She was an amazing woman and I will miss her deeply.

“ Gloria

You will be missed by so many including your whole Aetna family. You always had a positive attitude, willingness to help/ go the extra mile and did everything with a smile on your face. You were so sweet, kind and warm. You always made time to ask about how others and their families were doing, you shared many pictures, memories and decorations of your own family on your desk, and brought a friendly and family centric environment to the workplace making it so enjoyable to be part of the team with you. You never complained, you always "got it done", you were on early and worked late, but also made time to join us for HH's at the Bullpen :) We all love you and hope your family knows how much of an impact you made to your Aetna family and how much we will miss & think about you. Rest in paradise my friend.

“ *My deepest sympathy for the loss of the one and only, very special Gloria. Gloria was the kindest and genuinely sincere person I have had the privilege of working with at Aetna. She had a way of making you feel like you were the only person in the room. She left all of us with a profound and positive reason to always choose kindness.*

Gloria's love and admiration for her own family was always apparent to her "work family". Her sincerity and care for others was visible to all. The two of us had some fun times together as we would be the last two to leave the office many nights. Until we meet again!

*21 Years

*Is it just across the Jordan
Or a city in the stars?
Are ya singin' with the angels?
Are you happy where you are?
Well, unti this show is over
And you've run into my arms
God has you in Heaven
But I have you in my heart*

*With much love and sympathy,
Tiffany*

“ I'm glad I didn't know the way it all would end
The way it all would go
Our lives are better in God's hands
I could have missed the pain
Then I would had to miss THE DANCE!

Glo, you were one of the first people I met at Aetna. You were such a patient trainer. Thank you for always greeting me with a smile. Thank you for never getting tired of me singing "Gloria, Gloria" by Laura Branigan every day I saw you. Thank you for being you. You fought a good fight! You've kept the faith! Now you are being rewarded. You will be missed more than you know. Until we meet again....thank you for the Dance!

“I have had the honor to work with Gloria (Glo) for many years at Aetna. Glo was so kind and caring, a mother-like person who always had a way to make you see that it was not that bad of a situation. There was never an issue that she couldn't fix. Always had a positive attitude and something funny to say to lift you up. I loved hearing about her girls and family and the shenanigans they would get into.

Glo, I will miss you dearly. I will see you again one day and I would like one of your signature Rap songs as a walk-up!

Renee, Adrianna, Bella and Ramona, I hope you know how much Glo was loved by her Aetna team. I am so heartbroken and devastated of for your loss. Thank you for sharing her with us.

“ I am deeply saddened to hear of Gloria's passing. Although I did not work directly with Gloria at Aetna, we did cross paths many times and I am so honored to have met her. She was always so sweet and happy, smiling and laughing, and so genuine. I and her Aetna family will miss her dearly and will cherish all the great and unforgettable memories of her.

To the family, I am so sorry for your loss and offer my sincerest condolences. My thoughts and prayers are with you during this difficult time. I know words can't wipe away tears, hugs wont ease your pain, but hold on to your memories of Gloria as they will forever remain. May you lean upon the Father for peace and comfort for he is always there.

“ *My sweet Gloria, I have been at a loss of words.*

Although we don't always understand I have faith that God had a plan and has chosen you for a special assignment.

You are genuine in everything you do & are the glue that has held many together through difficult times. Selfless, always there for others.

I will forever miss our conversations about the love you have for Adrianna, Bella & Renee and their adventures growing up, your own adventures as a high school mascot long ago, how you met Ramon in High School when you accidentally hit his car in the parking lot, the love you have for your parents, as well as your church & your incredible spontaneous rap skills (if you know, you know)

I have no doubt your father, well as prior co-worker Lynn were both there to welcome & comfort you along with others as you crossed to your next chapter.

Thank you Glo for letting me be a small part of your world. I am a better person and blessed for knowing you.

To Adrianna, Bella, Renee, Ramon & Mrs. Villagomez:

Thank you for sharing Gloria with her extended Aenta family for so many years. Continued prayers of healing and comfort through this very difficult time.
