“ *To My Beloved Father,
Well I never thought I would be having to do this for you. I just can seem to wrap my head around to the fact that your gone,I guess I'm still in disbelieve.I just miss you so much and how I would call you to see how you were doing, Then I would ask you what are you doing and you would alway's say "Talking to you"Or when we would call each other for our morning date to watch the Price is Right or to just talk about the thing's we would see on TV.How you would pretend to cry for us and say for me to take the kid's cause you wanted us to go over and play Bingo.My life will never be the same cause a part of me is gone.I have this emptiness that will never be filled.The man that I first loved and stole my heart and the one who was alway's there from the time I was born till the time I grew up to be an adult.But even though I have grown I will alway's be your little girl. I Love You and Miss you so much!
