“ We are so sorry for your terrible loss and hope that you can find some comfort in beautiful memories that you all shared. Even though he is physically gone, his arms will be wrapped around you always. He is part of you and you will feel him there loving you. Sandra, Bill and Madi, your Dad was such a sweet and loving person. I always loved being in your home as a child and appreciated so much how dear he was with us all. I remember dinners and music and lots of laughter. Such a blessing to have know him. We will hold you in our hearts during this difficult time. Sending love and prayers.
