“ *Harry and I worked at Nalco Chemical Company in Sugarland from 1972 to 1977. We were both veterans and received a letter to interview for a job with the US Post Office in Richmond. Neither one of us could decide if we wanted to work at the Post Office, we both enjoyed working at Nalco. The retirement age at the post office was 55, so we both quit Nalco and went to work for the Richmond Post Office the same day. Harry became my best friend at the Post Office, and I will truly miss him.*

“ You're in my thoughts and prayers! So sorry for your loss, Harry was a great guy, I worked with him for many years at the Post Office, but met him through my late husband Ronnie, they went to school together. Also, My late brother Gary "Bones" was also on the Skinner Lane Gang cook off team! They have a lot to reminisce about in heaven, they always had fun!
