Emotivo homenaje, yo guardo memorias muy agradables cuando d niña estaba en su casa siempre tenía sonrisas y palabras amables, a pesar que yo era una chiquilla pueblerina muy vergonzosa, su manera d comunicarse conmigo tan amable y respetuosa lo admiré siempre y ese detalle siempre lo llevo en mi corazón x siempre amado y recordado nuestro amado primo Héctor 🙏💕🙏

“ My sweet and loving daddy. How I miss you so much already. I thank you so much for everything you did for our family. Alex and Ari miss you so much. Their grand-pa-pa. We loved your yummy breakfast burritos when you would stay with us and how we would look for a movie to watch but then we would all just knock out on the couch. Everything in my house reminds me of you, you helped me out so much. It seems like a dream that you are gone. I'm sorry you suffered with this stupid cancer. We tried to do our best to beat it but god wanted you home. I know you knew how loved you are and you will forever be with us until we meet again. I have so many great memories with you I will cherish forever. Rest in peace my sweet angel and take care of us. We will take care of each other and mi mami. I love you forever papi. ❤️
