“ *To hector's parents Maria and Ruben Garcia. This is Gilbert's mother viola Esquivel. I'm sorry for your loss. I also went through the same painful experience with the loss of my beautiful beloved son Gilbert Garcia. This young man's father was also your father. Ruben Garcia and my son's last words were why did my father hated me? My son was very legitimate. Ruben and I were married on April 8 1968 at his grandmother house. It's just to let you know that there is an other half brother that now joins you in heaven. my son passed away May 10 2007. Colorectal cancer took him at the age of 37. I can understand the pain the family is going through. Deeply sorry respectively Viola Esquivel san Benito Texas.*

“ *I give my sincere condolences to the families and friends. Hector was greatly loved and will be missed. The best description of Jehovah God is that he is love. It talks of this at 2 Corinthians 13:11 where it says, "Finally, brothers, continue to rejoice, to be readjusted, to be comforted, to think in agreement, to live peaceably, and the God of love and of peace will be with you." This love is the reason why we can be confident that Jehovah will remember those in the memorial tombs in the near future and we will be reunited with our loved ones. Please take comfort in that knowledge.*

“ *Natalie, Megan and family, deeply saddened for your loss of a husband, friend and father. He was so kind and giving to Kole. So glad he was part of his life. We may not have the answer to why he left us so early, but I trust the One who does have the answer. Praying you find comfort in Him now.*
