“ I remember Helen well from the days when we were neighbors on Foster Drive. She was a sweet lady with a funny Pennsylvania accent! We spent lots of time at her house and especially loved the Sno-Cones that Duane and Dick gave us at the end of a day of selling them around town. She lived a long life and was rewarded with many, many grandkids! Our thoughts are with the family at this time of loss.

“ Duaine...If you think back many years, you and I worked together at the S/L Service Center. I thought the world of you then, and know it had to be because you had such a great mom. I am so sorry for your loss. My prayers are with you and your family...
