“ Our prayers for peace to the family during this difficult time. I worked with Helen Ann for several years at GSI in Stafford. I was blessed to be among her circle of friends when Chris was born. I know he was her pride and joy. So happy to have had a chance to be reunited with her a few years ago and to meet her Christopher again. She was one of the funniest people I ever knew. RIP dear friend. My memories of GSI will always include you.
