“ Henry,

*Nobody can ever take away the many memories we shared over the years together. I'm so happy you were apart of Peanut's life. While it pains me that the new memories have come to an end, I'll forever smile when we think of you sweetie. Love you lots

*Pat and John Paul,
I was saddened to learn of Henry's passing. I remember Henry when he came with you to John Paul's parent-teacher conferences. Of course I recall when he started kindergarten and went through Travis Elementary. I just finished watching the touching video and remember what a sweet and devoted family you all were. Pat, you were such a good mama and made sure the boys got to pursue their interests. I remember John Paul's love of trains...
My heart breaks for both of you.
You are in my thoughts and prayers.
Love,

“ *Henry had a heart of gold and a sense of*
humor that always had me laughing . I will
miss him tremendously especially how he'd
