“ Henry was always fun to be around. Hunting and fishing trips were full of 'Bama stories. I had many meals with Henr, Geneva, Wilson, and Ruth. They were all so friendly and caring. They'll be in my fond memories forever. Henry will be missed by all.

*So sorry for your loss Wilton and Carol. Mr. Alabama was a great man. Sweet, kind and hard working. Always there to help anyone who needed it. He and your Mom were such good friends to my Mom and Dad. I am so glad I was able to visit with him just a few days before he passed away.*

*I am sad that we never got to have that long visit we talked about. I know you will miss him and your long afternoon rides on your cart. You are such a wonderful son and friend to everyone you meet. Just like your Dad. Take comfort in knowing that he knew how much you loved him. Days will be hard but he's at peace and lived a long and full life. Know there was nothing he left undone. We love you all and are so blessed to have known such a great man. Love, Paul and Alice Jozwiak*
