“ I just located my old friend and was sad to hear of his passing. Henry and we're like brothers in the 6th Grade in San Angelo. We did everything together, keeping each other out of trouble. I have many fond memories out out time back in the day. RIP my Old Friend, Ed"Frenchie"Flanagan. 💔

“ One of the most likeable guys I've ever known, with a good nature and enjoyment of life that was contagious. Even when he was cross with someone or something, his irrepressible laugh was coming out in a moment whether he meant it to or not. He'll always be warmly remembered and sorely missed.

“ Brother I will miss you so much! Oh how I wish we had continued playing cards on Friday nights. It was the bull sessions between games that was great. Well something that wasnt wired into the Font DNA to say but Brother I loved you very much and I regret not spending more time together. You taught me alot and it was fun. More funny stories about us brothers than they give us space to tell Love and Miss you. Guy Sr
