“ *I walked into Henry's shop this morning to drop off my car. I usually call him the day before, but this time I didn't. I just can't believe it. He has worked on my cars for the last 20 years. I feel like I lost a friend, and missed his life celebration. My most sincere condolences to his family. I can't put into words how much I'm gonna miss him. He was a great guy all around.*

“ Henry and I hung out a lot during high school, he was always a great guy to be around and loved cars, especially his orange roadrunner. Henry not shy to take chance drove roadrunner at a good clip. He caught a little air but the roadrunner landed nose first knocking the oil drain plug out. He was a hoot and will be missed.
