“ *To my darling Linda,
It was an honor being able to take care of you and being able to make our own memories together. Loved your smile your humor and your humbleness. Never missing a beat. I say to the Valdez and Gallegos and Martinez family Thank you for allowing me to care for Ms Linda and making my own memories. She will always be in my heart but never far from my mind. I love you all. Janet Williams.*

“ My most fondest memory of Linda will always be that she was a loving and a giving person. She offered and supported her help in any way she could to anyone who asked or needed it. She believed in God and her faith gave her strength to live a little longer after her illness a year and a half ago. Linda, thank you for all the good times we had, our talks when we rode or walked together. I know how much you missed your Steven and now you are with him in Heaven dancing. You will always be in my heart. To Vanessa & Mike may god bless you and your family and give you all strength during this sad time and the entire Martinez Family. Rest in Peace; Rest in Heaven Linda!!! Love you!
