“ *My dearest cousins, aunts and uncles, we the Gutierrez Family send you our condolences. I did not get to say goodbye to Tia. I remember all the times she would come down to visit mommy or I would take mommy to go and visit her sister. She left not knowing that her sister was waiting for her in heaven with open arms. I am sure they were happy to see each other and have lots to talk about. Tia is gone but never will be forgotten by me. A mother is a precious gem that you will always hold in your heart and I am sure you will also hold all her memories of her with you in your heart. Sending you all my love and will always have all of you in my heart. I will always be here for you as we will always be family.*
