“ *Marisol,
My heart is so heavy for your right now. Your mom was a wonderful mother and grandmother to you and your children and I'm sure a great mother in law to Raul, sister to her siblings, and friend to all her many friends she had.
I'll never forget how she always welcomed me and made me pretty much feel like a daughter.
You and your family are in my prayers!*

“ My condolences to Ms. Hortencia's daughters & family. I had the pleasure in knowing what a great person Ms. Hortencia was. It never failed every time she walked into our clinic she always had that smile & great personality. Ms. Hortencia always talked about her daughters, going to San Juan & our Catholic Religion, & lets not forget her trip to Chicago. Yep I heard all her stories when she would have her appointments here with us. I will always treasure her gifts she brought into the office for me. She thought of me while on her trip to Chicago, Christmas & Mother's Day. I will miss her smiling face walking in our clinic door very much. Marisol & Maria I know this will be the hardest time for both of you but may God give you the strength to make your mom proud as she looks down on you both from heaven. God Bless you both.

“ May your family be strong in this time of sorrow. It is never easy to explain why things happen when they do, but it is comforting to know that she is in a place of everlasting happiness. She is an angel called upon too early, but she will watch over us and continue to protect us everyday. May God Bless you all today and always and continue to share the memories of her life.
