“ Howard was one of the special people at Trunkline Gas Company where I had the pleasure of working right out of college in 1970. What a fun group it was on the second floor. May special memories of this great man continue with all that were touched by him in their lives.

“ Over sixty years ago Nancy, Duane and our two year old son, Eric, moved to Victoria, Texas. Our first and best neighbors were the Cordovas. We were both young families and shared many wonderful experiences and remember both Howard and Elnora with great respect and affection. Their daughter, Brenda, was the "queen" of a little group of children from both our families. Both families were in that child bearing time of our life, and their support was very helpful and meaningful. We stayed in contact over the years as best we could in spite of the fact that we have always been too far away. It brings us great sadness to learn of the end of a wonderful life. We will remember Howard's example as a father, a veteran of WWII, as a friend, and as one who was always ready to lend a hand when needed. We can't help but be sad, but instead of regrets it seems more appropriate to say "Job Well Done, Howard. You will be missed, and fondly remembered."
