“ Howard Howard, what a sweet man!
I met Howard while I worked at the tax office and he worked at Mac Haik Dodge. He always had a smile on his face. It was such a joy to talk with him. He talked about their cruises and trips they made. I would see him out and about town picking up and delivering customers and I am sure he put a smile on their faces too.
I know he will be missed by his family and so many friends and I will miss him also.
Howard I know you are looking down on us and smiling.
RIP Howard

“ My Daddy, Joe T. Fritsch and Howard Long were friends and Police Officers in Ft. Bend County many years ago and they were outstanding officers. I remember Howard and Daddy telling me their amazing Police stories and telling me to be a good girl or I would be locked up in the kids cell which they made a small small room to look like this so I would believe them! My prayers and thoughts are there for your family and friends. I know he will be missed. God Bless!

“ Although saddened by the news of Chief Long's death, I was flooded with positive memories of a man who took the time to work with a rebellious youth. Howie, you were successful.
