“ Gayle, I am so sorry for your loss. I know there are no words that can take away the pain, just know you are in my prayers and in God's loving care. No matter how old we are or how old our parents are, we are never prepared or ready to let go. In time you will heal and you will be able to smile when you think of him and all the wonderful memories that the two of you shared. My heart and mind are with you today.
