“ I read today about your daddy's memorial service in the Sequoyah County Times. Please know that I am so sad about your daddy's passing. I recalled the fun times that our parents shared and how Mother and Daddy counted Hugh and Mary as good friends. They enjoyed following the Black Diamonds together and shared many church activities. Mother used to giggle about how they would "sneak" popcorn into the football games! That was years later of course . . . they would NEVER have embarrassed us with that at the time! Hugh meant a lot to us, and we loved that he officiated at our wedding ceremony. Many thoughts and prayers to you and yours!
