“ For all of Irene's family, What a once in a lifetime lady she was and will always be. It was an honor to know her and every family member I have met. Few people are able to leave a lasting gift of life as Irene has. The word I feel describes her best is, beautiful. Hold fast to the great memories. With love and great respect to all,

“ I am so saddened to hear of Irene's death. Please accept my sincere sympathy for the entire family during this sad time. I was in band with Chester and graduated in 1969 from Channelview High School. It was a very special place to live and everyone in the Anders family was a joy to know.

“ Mawsy was my one and only memory of a perfect grandmother, my only grandmother. Im already regreting not cherishing that more while she was here. But the most memorable moments were her ice cold coca-cola's she kept for us growing up when I got to visit her in Freeport & the bowl of fruit she always encouraged us to eat from her dinningroom table. Always making sure we used that Ivory soap well in our bath after a long hot summer day. Her since of humor I see in my aunts, cousins, my children and myself. For she is everywhere and in all of us and she will be greatly missed!

“ Even though I did not get to see Irene as much as I would of liked, she held a very special place in my heart and I was sorry to hear of her death. Irene and my husband Bill spent some quality time a few years ago as she talked with him about cancer - she was very encouraging and her upbeat, laughing spirit was contagious. That was a very special day for Bill, who lost his battle with cancer almost a year later. I will always remember Irene with great love and appreciation for the special gift she gave to Bill that day. My mother is Shirley Allen Parrott - Dorothy, Betty, Joyce and Skippy are my aunts/uncle -

“ Dear Buttons and Marvin Eugene and all of the family condolences to all. Ms Irene was one of a kind and I know she will be greatly missed. I always enjoyed visiting with her and wish it could have been more often, especially it would have been nice to go one of the "trips" with her and Marvin, a son-in-law she loved as her own. Irene was always so friendly, fun-loving and outgoing just like her Nadine who loved her Mother so much and took such good care of her. Irene was so very proud of Nadine and loved her greatly. Rest in Peace Ms Irene. You will be missed.

“ *The memory of Irene will always bring a smile to my heart. She was the tiny person who loved people, had a big laugh 'from the heart' and had so much energy and jest for life. I'll always admired her strength to never give up. I will miss the phone calls we shared, always ending with Irene saying "I love you".*

My sincere condolences to all the family. You loved her dearly and will miss her so much.
