“ You my friend will be missed very much! Your heart of gold touched many people. Your kindness and friendship will never be forgotten. Always knew how to make my frown turn upside down. I'll see you on the other side my brother! We will have some pool games to catch up on, for now rest easy.

“ *Cousin, friend, and protector. Those are just a few words that I could use to describe what you were to me. You had a contagious laugh just like your beautiful mother. I will always cherish the memories of us building forts in your living room with all of us cousins and acting out Disney movies at our many sleepovers at your house. I still can't believe you're gone. It doesn't seem real. You were kind hearted, true to yourself, and always willing to protect the ones you held dear. You weren't supposed to leave this soon little cousin. See you on the other side Beetlejuice, love you always.*

“ All the long nights & long talks we had sitting in the garage just having a few drinks. All the times you were there for Shorty when I was having one of my days. I remember rolling my eyes every time I heard him say “Beadle is on the way is that okay?” I hated the long pool tournament nights or the times that Steven just wanted to hang out with you. I always gave y’all a hard time for spending every hour Steven had off together. Now I can honestly say I’m gonna miss it all. I’m gonna miss the nights drinking & hearing you sing at the top of your lungs any song that came on. I’m gonna miss seeing you & Shorty sitting in the garage playing pool. I’m gonna miss us all having family dinners. Tbh I’m gonna miss it all. Thank you for being such a big part of our lives these past few years. But most importantly thank you for always being Shorty’s right hand man. We love you & we are gonna miss you so much.

“ From the moment we met as young adults, you treated me as if we grew up together. No matter how much time passed, there was never a single time where you didn’t give me the biggest hug and smile. Your presence could make anybody’s day. We truly lost a great one. I love you cuz.
