“ *I am sorry for your loss. While on earth, Jesus cured and resurrected people. He did this to demonstrate what he will do again on earth, but at a much larger scale in the near future. At John chapter 5 verses 28 and 29, Jesus said, "Do not marvel at this, because the hour is coming in which ALL those in the memorial tombs will hear his voice and come out....."*

“ *Steve and I share your grief. We worked with Jack for many years and considered him a good and loved friend. And boy oh boy that smile will be remembered forever!*

We lost our youngest son last year and started a scholarship in his name at a Louisiana university. It has been a real comfort to us and I know adding to the scholarship fund Jack that supported will be a comfort to you too.

“ *Bobbeye: Both Augie and I were just speechless when Marisa told us about your son. The loss of a loved one is always so hard to accept so, even though I can not imagine what the loss of a son would be like, I know your pain. We love you and think of you often. Our sympathies to the whole family.*
