“ I have known Jack for over 40 years. I worked for him at R.D. Parker, Inc., and at Longhorn Excavators, Inc. I have always enjoyed working with him as he knew the dirt moving/excavation work like the bottom of his hand. Even after he retired, I would get a call from him checking on how many contracts we had and if he could help in anyway. I will always remember him and the date that he passed. My son passed away the same day except 24 years earlier. Everyone will miss you so go with the angels.  
My Sincere Condolences to the family
