“ My prayers are with your family. We were shocked to hear of her passing. Ms. Jackie was the bus driver for my two children. I always knew that they were safe in her care. She even saw that my youngest had missed the bus one day, picked her up, took her to school and came back to finish her morning route. She always had a giving heart and smile for each one of the kids. I just want everyone to know what a blessing she was to this working mom.

“ My deepest sympathy goes to Jackie's family. Our families grew up together at Holy Rosary School. We were the "biggest" families in the school. It was sad to hear of Jackie's passing at such a young age. Your family is in our prayers. God Bless

“ My deepest sympathy goes out to the family. "Miss Jackie" drove my kids to school and back for many years. She always watched out for them and treated them like they were friends and family instead of nameless passengers. Last year we knew she was gone a lot and we prayed for her-not knowing. She was a wonderful, kind woman with love for children. We will miss her so very much. God Bless -Danette Fennesy&family

“ I want to say I am very sorry for your loss. A mother is someone that is very hard to let go at such a young age. My prayers go out to her husband and children that are left behind. Jackie was a person even if she did not know you she would go out of her way to say hello. Jackie, you are certainly going to be missed...

“ I am sad to hear the news about Cousin Jackie. I was sent these kind words when MomHelen passed recently and I hope it touches your heart & soul like it did mine: "You don't get over it, you just get through it. You don't get by it because you can't get around it. And it doesn't get better, it just gets different." Although I know it's hard today to see beyond the sorrow, may thinking of memories of the past help comfort you now, tomorrow, and always.

Peace, Prayers, & Blessings,
CousinMary Helen EspinosaHerrera

“ My heart goes out to the family. I haven't seen Jackie in many years, since Jacinto, Sr. passed away. She was a wonderful and caring person. She will be missed dearly. The Carranza Family in North Carolina will always have a special memory of Jackie. Many years did go by and I wasn't able to see her, but a phone call once in awhile always had a special touch to know how her children were doing. May God bless you and your family during this time and always.

“ Hey Momma,

I just wanted to let you know that I miss you ALOT. You weren't only my wonderful, beautiful, gorgeous, smart, most FANTASTIC mother in the world, but you were also my best friend. I could talk to you about anything like school, boys, other family things, movies, foods, all types of things. I loved those times mom and I miss them SOOOO much. I know you're not going to be here physically to see me graduate Class of '09 but I know you're going to be there when I walk to get my diploma. That's one of the most major things you were proud of me is the day i'm going to graduate and I will. And don't worry about beadle, jonathan, or ashley, even dad, because as much as this hurts all of us, i'm strong for you mom, you taught me to be strong mentally and emotionally, and even physically, lol: And all my strength comes from you mom, i'm a spitting image from you. I thank you so much for teaching me right, and now i'm going to pass it on to my brothers and sister. I LOVE YOU SO MUCH MOM!!!! NEVER forget that. Can't wait to see you again. I'm happy that you're in a better place. Take care, love you, Bye!!! ^_^

Your loving daughter,

“ Jackie,

*Girl I will dearly miss you. You mean the world too me, I never knew how close we were until now. I will surely miss our many discussions you know what i'm talking about lol: And now I have no one to go to to complain about Pete even though I know you're there having my back when me and Pete are fussing. I always felt that you and I were like sisters the bond we had was so strong you know we thought alike, cooked alike, and shared so many things private and open talks, and everything we've always kept in confidential. And just know that I'll always be there for the kids and i'll keep making sure i'll keep fussing with Tony and falling asleep on your couch to drive Tony crazy. Just don't worry about the family cause they will always know that their aunt Rachel will be here for them and to also keep them on their toes. Lots of Love,
Rachel*

“ We were greatly saddened to hear of the loss of Jackie. I took the news very profoundly. It took me back to the memories of when the Rendon family would drop down to San Marcos to say hello to us when we were kids. It was the Rendon's with all their 14 children visiting with my family, the Ferrer's with all 7 children. You have to hand it to our parents...that's 21 children in one household...even for a brief time, it must have been an incredible feat!

As I knelt to pray last nite, I reflected on the losses I myself have had to accept. 15 years ago, we lost our brother Johnny and in more recent times: the loss of our mother, Lucy, our cousin David earlier this year, aunts Irma and Helen...and now our cousin Jackie. It is very difficult...I know. I reflected on how happy we would be if God would give us just one more day with those we've lost...just one more day. We have our whole life times with those we love...and when they are gone...we wish for one more day...

Know that God gives **STRENGTH** during these times of great sorrow...and have faith and believe that we will see our loved ones again...

On behalf of the Eugene R. Ferrer, Sr. family down here in San Marcos, TX, We lift up our prayers for Jackie's husband and children, the Rendons, and all those who mourn and grieve at the loss of this beautiful life. We also pray for the repose of the soul of Jackie. May she rest in peace.

You all are in our thoughts and in our hearts!

God bless,

“ I am truly sorry for the tremendous loss of Jackie. I met Jackie three years ago when I started working for Lamar transportation as a bus driver. Jackie was on of the very first people that welcomed me and was always there to help me in any way she could. Jackie and I took many trips together with the students and always had a really good time talking and laughing. I watched her with her children daily and can tell you she was a wonderful mother and loved her children and family dearly. I will miss you Jackie. Rest in peace....
