“ I had the pleasure of knowing Jairo at school. He is such a sweetheart and his smile is a ray of sunshine that wraps everyone around him in his light and warmth. I'm keeping all the Pagan family in my heart-- we were all blessed to know him and he is blessed to have you as his family. May the memory of his smile grant you God's peace.

“ Sending my love and prayers to the Pagan family.
I'm so sorry to hear of Jairo's earthly passing.

I have such fond memories of him. I especially remember his big, beautiful smile and how his face would light up when we would play a favorite song of his. Especially if it was a song with a strong beat that got your body moving, Jairo was all in and loved it! His energy and love of music was felt by everyone! We missed him and his presence so much in our class when he moved.

He was such a pleasure to have in our class, and I will always be grateful to God for the blessing and privilege to have had an opportunity to know him and be a small part in his life. He most definitely made an impression on me and everyone who met him, that's for sure!

I also have fond memories of his family always coming into our school at every one of Jairo's birthdays annually to celebrate with his friends and all of his teachers. It was always a very loving genuine and sincere event! Everyone had to get a picture with Jairo and a piece of cake no matter what! Mom made sure of that! And believe me, everyone, and I truly mean everyone in our school before the end of our day, made a visit to see Jairo and wish him a happy birthday!

He was indeed, a gentle giant.

Please know that he will always be remembered, and we will always keep him and his family in our prayers.

May God bless his family and friends during this time and always. I hope God will give you peace and comfort on these days ahead.

With love and prayers.
