“ *To my all my Houston family:
I can't begin to say how much Jimmy meant to me. We were favorite cousins and friends. I felt close to Jimmy in a way that words can't describe. We always picked up where we left off, time and distance made no difference. He will always be a testimony of God's grace and mercy. He would want God to have all the glory for his life. I thank God for my cousin Jimmy and can't wait to see him again. You all are in my prayers. I love you all.....

“ *I will always remember Uncle Jim's hugs. They were sincere, they were given freely, and they were always in abundance. From the moment I met Jim, he welcomed me to the family. He had a gift for making a person feel welcomed, loved and cared for. He was a cheerleader with his encouraging spirit. While we didn't get to see him as often as we wanted, we have always enjoyed our summer visits. Uncle Jimmy, we will miss you.*

“ *Jim my Brother, You will always have a very Special place in my Heart. I will miss our morning calls, I will miss your laughter I will miss you so much. When I lost Byron You were there for me with encouraging words and praying with me. Jim was a strong man of faith that not only I could lean on but anyone that needed prayer he was there for them. I know he is up there in Heaven with Byron and they are both smiling down on all of us. I will Always Love You and Miss You.

“ Jim, was more than a brother, he was my everything. I am so blessed that he went to church with me. And what an honor it was to have him sit beside me and watch him love God with all his heart and soul. Jim will always be in my heart each and everyday. He made a great dad to my kids and words can never express how grateful and proud I was of him. I love you Jim. Your sister Gina

“ My deepest condolences to your family. I've been writing to Jim for many years now and feel a great sense of loss without him. I gave him his hawaiian name "Kimo", which he liked using and I will miss him. Aloha Kimo! I know you are at peace now in heaven and no longer have to suffer what you have been going through over the years.

“ I want to say what a wonderful son we had. He was my best friend, he was so funny to be around and constantly reminding us to trust in the Lord at all times. He was the encourager to all. We love him so much and will miss him so much. He would want us to sing to the Lord and constantly praise him and we will. Love Mom and Dad

“ To Jim's family, I would like to say that I am sorry for your loss. I am also sorry for my loss. Jim was A friend to me, also A person that was always there when you needed help. Jim would help me in the kitchen at Bering Omega. As he washed pots and pans we would laugh and talk and have A great time. He always talked about his family and his love for them, espically his mother. He thought she hung the moon. I was fortunate enough to run in to Jim and his mom at Denny's restaurant. That was the last time I ever talked to him. If he was sick that day he never said so. We had A great conversation catching up on each others life. If I had known that it was to be the last time I saw him, I would have hugged him A lot longer. and told him I loved him A million times. With a quick hug, and I love you he was gone. But he will never be forgotten. I love you Jimmy, stay sweet and some day we will meet again. Your friend Lisa Tefft

“ Jim- What a beautiful loving soul he was. We met Jim after he had come under the threat that shadowed his life. He was SO lucky in his "choice" of families. That his family embraced him and cared for him exceptionally well, helped to light him from within.
He brought his own sunshine into the room. My husband and I will think of him often. And rejoice that he passed this way.

“ Jim was a barrel of laughs and a ton of trouble!!!! We were good friends for a few years back around 1986. I probably spent every weekend of my senior year in high school hanging out at Jim's apartment he was a couple years older than me. He was such a sweet man who will be missed. Thanks for letting me celebrate his life with you.

“ *I graduated from Dulles High School with Jim and became even better friends with him well into our 20s. His vibrant energy, open heart, fantastic sense of humor and unfettered free spirit will always be with us. Upon hearing the news of his passing and talking with many of his friends, so many stories, memories and loving emotions came flooding back.*

Jim will remain on the list of the people in my life who was never afraid to let me know I was loved and greet me with a huge smile and even bigger hug every time I saw him. I promise, Jim, not to miss you, but to keep you close by my side for all the days of my life.

“ *God blessed me with a very loving, giving brother. He was a mighty man of faith, always sharing the love of God with those in need. He brought joy, fun and laughter to my life . He shared God's word with me and prayed with and for me. He fought the good fight of faith and has now received his reward. He went to heaven with his family around him singing the praises of God. He was ushered into the Glory of God all around him. He lives on not only in heaven but also our hearts and our testimonies of the witness of God in his life. His life will impact the world greater than he could have ever imagined. And it will bring all the Glory to God, which is what he always wanted. I love him so very much and look forward to seeing him again in the future that is ahead to come in heaven.*
