

James Richard Chappell

December 29, 1952 - September 17, 2021

On September 17, 2021, James Richard “Rick” Chappell, 68, went home to be with the Lord. He was born December 29, 1952 in Cotton Valley, Louisiana to J. B. and Maxine Chappell.

After graduating from Cotton Valley High School, he became involved in the oil and gas industry. A career change led him to California where he began his roofing career. In 1993, the opportunity for advancement moved him to Houston, Texas where he established the Southwest Regional Office for Sarnafil Roofing Inc. He held many positions in the company and his current title is Manager of Data Centers for Sika Corporation - Roofing.

Rick met his future wife, Phyllis, in California and in 1994 they married in Sugar Land, Texas at Williams Trace Baptist Church. In 1999, they were blessed with the addition of their son Sean, and later in 2001 their daughter Rebecca.

Rick worshipped faithfully at Sugar Land Baptist Church where he was a Deacon and served in a variety of roles as a Bible Study Teacher, Sound Engineer, and Children’s Church Leader.

In addition, he was an avid LSU fan and never missed a football game. His favorite place to take his family was to the Happiest Place on Earth, Disney

World.

He leaves behind his wife and children, his brother, Randy Chappell and wife Carol, sisters, Jean Cooper, and Anita Williams and husband Kirk, his nieces and nephews Nathaniel, Emily, Meredith, and Trey. As well as several other loving family members and friends.

Throughout his life, Rick made an impact on every person he interacted with. He was a friend, mentor and advisor to everyone he met.

Funeral services will be held Friday, September 24, 2021 at 10:00 A.M. at Sugar Land Baptist Church with Pastor Dr. Taylor Sandlin presiding. The family will receive friends Thursday evening September 23, 2021 from 4-7 P.M. in the chapel at Davis Greenlawn Funeral Home.

The family suggests that memorials be made to the Alzheimer's Association in memory of Rick as a tribute to his father.

Tributes and words of condolence may be left for the family at www.davisgreenlawnfh.com.

Arrangements are under the direction of Davis-Greenlawn Funeral Home, 3900 B.F. Terry Blvd., Rosenberg, Texas 77471, phone: 281-341-8800.

“ I first met Rick in 1998. We were doing a 2 million square feet project in Mexico for GM. The first day we met I was able to noticed that he was a true believer in Christ and that he lived what he said that he believed. We did so many trips to Saltillo, Toluca, Mexico City, Nogales, Laredo, Ciudad Juarez, etc and spend so many wonderful days talking about God, the family, Bussines, challenges, etc. He was a true friend and a true brother in Christ. He never compromised his faith and his principles. He was in my home several times. I was blessed to pray for him and Philip's to have kids and be blessed to see Sean and Rebeca born and become such a beautiful young hoy and girl. Even though we lived in different countries and in different cultures, we were brothers of the same family, God's family. I will always remember Rick with his big smile and happy face. I know that I will see him again. My sincere condolences to his family and his close friends.

“ *Phyllis, Sean and Rebecca. I don't really have the words for how saddened I am by Rick's passing. You have been in my thoughts constantly since I heard the news. He has been such a great friend to me for over 20 years. I hope he knew how much he meant to me and countless others. A true friend, mentor and always had my back. I loved him so much and always looked forward to when I would see him. Rick had such love for his family, God, his work and LSU; I will miss talking with him and hearing his stories. Sending you all Peace and Love during this very difficult time. Your pain is shared by all who were fortunate enough to have Rick in their life, we are better people for it. I love you, Rick... "I'll see you when I see you" - thank you for being you xoxo*

“ *Prayers and heartfelt condolences for Rick's family and all of those who know and love Rick. Rick Chappell is irreplaceable, truly one of the best people I've been blessed to know. He loved God, family, friends and country. He won his customers over with his knowledge and kindness, and relentless spirit to do the right thing for them. He was always available to help all of us. And as Rick would say - I'm going to miss "my good buddy"*

“ *I have so many memories of Rick, but what I remember most was his selflessness. Rick gave everything to his family, church, and work. As I read through the memories posted and talk with people who had the pleasure of working with him, the word "Mentor" keeps coming up. Rick was my Mentor as well... I longed for any opportunity to simply sit in the same room with him and listening to him talk because I knew I was about to learn something! Knowledge was a gift he gave to anyone who wanted to receive it. Thank you Rick, for the specs you helped me write, the system details you helped explain, for helping me with my first crop of tomatoes, and most of all... for being my friend. I will miss you, but I know you will be watching over us all, the same as you always did.*

My deepest condolences go out to Rick's family. Thank you for sharing him with us!

“ *I really only knew Rick professionally, but I will say this: He gave EXCELLENT customer service. He was always available for questions, and when you had questions, he would find answers. Pronto! I have never known a product representative as responsive, personable, and kind as Rick. He really loved to educate his clients and always had their best interests at heart. You could tell he truly loved his work. I will really miss him.*

“ *I met Rick Chappell when I was a consultant, coming to San Antonio to do a job for some Texas grocery store chain over 20 years ago. It turned out that HEB was the grocery chain and after that project, Rick shepherded that client through many, many more roofing projects. Although I only saw Rick occasionally after that when I had projects in Texas, we were reacquainted when I came to work for Sika here in Houston in 2015. Rick was always generous with his knowledge and his time. It was so obvious that he loved his family. I don't think anyone will be able to fill his shoes. He will be greatly missed by so many. Heartfelt blessings to the family.*

“ *Thank you for your kindness, for your example, for your friendship, for mentoring me when I needed a mentor, for listening, for helping me on weekends, evenings, anytime I asked for your help. You were always but an email or text away. Thank you for your stories of triumph and for those of pain, thank you for giving and sharing. Thank you for your optimism. And for teaching me to be brave, never quit, and to keep moving forward every day. I am so proud to say I knew you. I am proud to say Rick Chappell, the legend, was my friend. -- You will be missed by so many. My deepest condolences to the Chappell Family,*
