

James Gary Dennis

April 4, 1947 - June 7, 2025

James “Gary” Dennis passed away on June 7, 2025. He was born April 4, 1947 in Levelland, Texas to parents James and Mary Frances Dennis. Gary worked as a mechanical engineer for many years. He worked in the drilling industry, oil, gas, mining, and construction. He also spent several years doing structural engineering for a few companies that built metal structures. Gary was the rare engineer who could translate his knowledge to the shop floor. He could design, troubleshoot, and fabricate most anything. But he did not live to work. He worked to live. And live, he did! He loved to fish, waterski, and read. (He was given an adult library card as a young boy when he had read every book in the children’s section.) Gary had a lifelong love for listening to music, playing guitar, and performing. He was a decent athlete as a young man and never tired of listening to, or watching, his alma mater, Texas Tech University compete in football, basketball, and baseball. This loving father, brother, grandfather, and friend will be dearly missed.

He is preceded in death by his loving wife, Linda Dennis; parents James and Mary Frances Dennis; brother David Dennis; and daughter Melissa Dennis.

He is survived by his children: Michelle Beeson (Kyle), Doug Dennis (Jeri), Bobby Morphis (Paula), Deborah Lee (Ray), and their families; sister Judy Curiel (Ted); grandchildren Kendall Beeson, Holton Beeson, and Gideon Beeson, Kyle Morphis, Kody Morphis, Brandy Salguero, Ricky Gilbert, Joey

Gilbert, Anjelica Lee, and Ray Lee Jr.; nieces and nephews Emmy Curiel, Katherine Dennis Cantrell, Theodore Curiel III, and John David Dennis.
