“ Uncle Jim will truly be missed. I will miss the funny stories that he would tell and the excitement he always had when he would show off a new gadget or gizmo that he had acquired. He was a great Uncle and although his time with us was far too short, I pray that you find peace knowing that he is with his heavenly Father.

“ Uncle Jim wasn't much on big crowds but he would tell anyone who would listen stories. He had many different kinds of stories. He hated ants, you could always see him walk around in the yard with his ant bait bucket. I will missed it all. I love you and will miss you Uncle Jim.
