“ This was a tremendous shock to me. He was as good an all-around athlete as Needville High School produced. We had many great times together and he will be missed. My deepest sympathy is extended to his wife Betty Ann and his children. Although we went our separate ways after high school, I had often thought of him and considerate myself fortunate to have been able to visit with him at several of our past high school reunions. May God bless him.

Please accept our deepest condolences. It seems like just
yesterday you were telling us in the front office at Terry HS about
