“ Oh Jamie Jamie Jamie, Teddy and myself still cant believe you are gone. We keep thinking this is just a bad nightmare, and we will wake up and realize that is all it was. You should still be with us, this is such a shock. We both are still worried about Precious and Angel, and wish that we could take them and give them lots of love, but we have our limit of animals out at Del Webb. We hope they are being cared for and not grieving to much for you.

Love you still our friend
