“*Jr, you were the best neighbor and BFF. I will miss you terribly and so will Joe. You were always there when we needed you, like the time Joe got the trailblazer stuck in the ditch and you hooked up the chains to our tractor and helped get him out, and two weeks ago when I lost my car keys and was stuck in Houston and you drove across the street looking for Joe to rescue me. You welcomed us on holidays and opened your home to us all the time, even if you did tell me that you weren't home as I approached. You shared your friendship, family and home cooked food. I guess you knew I couldn't cook. LOL. You will never be forgotten. The neighborhood will never be the same without you. Missing you always, Your BFF! Donna*
