“ I regret confessing the amount of time that has passed since I last saw Mr. Hippler. As teenagers, we would invade your home after MYF, making our way through laughing and being loud. Mr. Hippler always had a great big warm smile on his face - shake his head and walk on by. His warm smile made a lasting memory for me. I know you will all find your own special memories to help you through this sad and difficult time. My love to you all.
