“ *Cari and kids. I am so sorry to hear of Jim's passing. I remember when you guys decided for him to be a stay at home dad. I remember how much you loved each other. It was apparent in how you treated each other and spoke about each other.*

*I know how hard this will be for you and the kids. But I also know how much faith you have and I know God will see you through. I am praying for a happy place for you in your heart where Jim will live on in your memories. As long as he is remembered, he is still with us.*
