“ I met Jane when I started in Lamar CISD in the Special Education Dept. She was so positive and always had a smile that could make even a bad day look better. She left the Dept to follow her passion and work directly with young children as a teacher. It was always a joy when I bumped into her at Bowie over the years. Those were some very fortunate children to have been blessed with such a wonderful and caring teacher. It hurts my heart to know she is no longer here to bump into, but maybe we now have an Angel that can look after everyone with the love she was always willing to share with others.

“ It was an honor to have worked with you at Bowie. You always had a smile and knew how to make us laugh. During my first year at Bowie you checked up on me to make sure that I was hanging in there. I loved going to your room because you had your chocolate stash that every teacher needs. I know hat you are still smiling down at us. Once a Dragon, always a Dragon. You will be missed my dear friend.

“ Jane was a beautiful person inside and out. I am so blessed to have worked with such a kind, humble and down to earth person. I'll forever remember our prayer group meetings and the year I was able to work alongside her in 2nd grade.

“ You will always hold a special place in my heart. I will miss you, but remember you always. You were a great teacher and friend who always helped those in need. I remember the day you and I were walking down the hallway and talking about the same 2nd grade teacher without realizing it was the same person. Who knew my second grade teacher was your mom. Say hi to her and thank her for being one of the many great teachers that influences me to become one. Heaven has two great educators now. Rest In Peace Mrs. Krancher.

“ *Krancher always had a smile on her face, a kind word to say, and an outstretched hand for any student, teacher or staff member at Bowie Elementary. She will be greatly missed by the entire community she supported during her many years in education and thereafter. Always a giver, she is now able to offer her support and love to those in Heaven.*
