“ I had the pleasure of meeting Janie 16 years ago at the Senior Center. She always brighten the days when she was here. Janie was a pleasure to work with and a heck of a card player. Janie never made anyone feel anything but good about themselves. She was so positive, sweet, loving and fun. We lost a great one when the Lord took you, but they gained so much! It was a honor to know you and Thank you for being the wonderful lady you were.

“ I met Janie in 2015 when I joined the 42 group at Harman Senior Center.  
Loved her from the very beginning. In fact, we were roommates on many “girl” trips we have made Omer the years. Always a joy to be with her - a quiet soul completely opposite from me. Also, a smart, savvy, domino player. I am so grateful I spent time with her on Thursday, the 22nd of October. She was looking forward to going home on Saturday. Don't think heaven was what she was thinking, but she did go home and is now in perfect health enjoying all those that have gone before. So, it is heaven's gain and our loss. She was so very proud of all her children and grandchildren and talked of you all often.  
We all will miss her terribly, but can't help be happy for her as she is in a much better place!  
Wish you could have left me your knowledge of that 42 game, Janie - but I plan to keep on trying just the same!!!  
See you in glory one day! 🙏  
Love, Carolyn Campbell 💕💕

“ My deepest condolences to all her family and close friends.

*Grannie was a very special lady. From the moment I met her, I felt welcomed into the Sitka family. Quickly, she encouraged me to a game of Chicken Foot which I had never played in my entire life. And her signature stuffing, well, I had to try it. Sweet, classy and observant, as she sat back at the card table or while she watched the little ones play. She was tiny but feisty. I knew I liked her from the start. Living states away, we always looked forward to visiting with Grannie as she adored seeing pictures of her great grandchildren and it brought her so much joy to hug them and watch them play. My heart hurts knowing we won't get to do that again or that she will never get to meet our youngest. She never forgot a special milestone and always hand wrote sweet little letters on notepaper in her greeting cards. She had an entire church praying for our youngest (her great granddaughter) while she was in the NICU for a couple weeks and had her in a weekly prayer with her Catholic sisters for her entire first year of life. I was so moved by that. She was strong in her faith and loved her family immensely. She will be so so very missed. Heaven truly gained a beautiful angel.*

*My dearest Janie, we worked together for 20 years and remained dear friends for another 25. Thank you for always being so supportive of me!
