“ *My thoughts and prayers are with the many friends and family members of Jason. What a great person he was. A pleasure to be around. He played football and baseball hard and I had the pleasure to be around him in both sports. Very popular among his peers. I am so saddened by our loss. Jason Hall will be fondly remember. “ *I was stunned when I heard this sad news. Jason was one of my favorite players ever. Hard working, tough, always played at 100%. A gentle soul who cared deeply about doing well. We were all better for having him in our lives, and now less with his passing. My deepest condolences. RIP my friend. You will be missed.*

“ *I don't know what to say. I'm in shock. Jason and I were friends from kindergarten to through graduation. I spent the first 8 year of school 3 doors down from him and considered him to be my best friend through the 7th grade. His friendship spearheaded my interested in sports and I truly believe it's what encouraged me to play soccer, baseball and basketball. We spent countless hours on the blacktop or on the diamond. I've always regretted that the short distance between our homes after we moved to lake olympia was more than our close friendship could handle. Jason was the brother I never had and one that I will truly miss.*

“ *To the Family of Jason Hall:
I would like you all to know, if nothing else, that “JHall” earned my respect and admiration from the moment I met him at a fraternity rush event back in 2000 in San Marcos. We went on to become pledge brothers and great friends. He was THE nicest guy in any room. And he was hilarious. I join you in your shock and grief with his passing. He's fondly remembered now and always. Respectfully,
