“ *Ruby, I'm so sorry for your loss. My husband and I used to frequently visit Dennys late at night after he got off work. You were our awesome server. We used to kid you about fluttering around like a dragonfly. Always full of energy! My husband is gone also so I know the emptiness you must feel. May God bring you peace and comfort to you and your family during this time. RIP Allen*

“ *You will always be remembered as my kind and loving Brother. Always with warm smile and a good word followed by a chuckle. I will miss our Monday morning calls but mostly I'll miss YOU! RIP Ian*
