Thank all of you for sharing those wonderful memories of her whole family and her wonderful and dear husband, my brother. Watching that video was very difficult for me because all those years she was my sister-in-law, but I thought of her more of a wonderful and caring sister. I loved her with all my heart and I will miss dearly, now and forever. My heart goes out to her wonderful family and prayers to help all of us get through the grief of losing a wonderful person.

Jean was such a special person to me and my family. Jean and my mother were lifelong friends and became even closer as they grew older. I loved hearing them talk about their youth together in old Sugar Land, and Jean's sharp memory of details about people, places and things always astounded me. I am grateful for her contributions in helping preserve the history of Sugar Land with her recollections. But most of all, I am grateful to have known her as a lovely, warm, smiling friend, always embracing me with love and affection and for the lovely family she leaves behind.

“ We’re so very sorry for your loss. Our family will keep your family in our thoughts and prayers. It seems like just yesterday we were sitting and talking with Pat and Jean at James’s birthday party - time flies so fast and we often think of that time. She was such a lovely lady with a lovely family. I wish we could have spent more time getting to know her. All our love and prayers, Jeff and Melanie Ayres-Lewis

“ Love and prayers for the Babineaux and McCord family. Jean was one of those people who put you at ease and put a smile on your face when you met her. Always gracious with a beautiful smile. Jean never missed a chance to tell me about the time, when I was one year old, and I sat in her lap on a train trip we took. I don't remember where the Gandys and the McCords were going but I spent the entire time in her lap. This was in 1947. Jean will be missed by all who knew her. RIP Jean.
