“ *I am sorry I could not get off to attend the services. God be with you  
all as you go through life bearing this loss. What little I remember of  
Jean, she was a sweet caring person very involved in the caring for  
her family. We pray God will help fill the void your loss of Jean has  
left. And as Christians, we know this is not the end of her life, only  
the transformation to a perfect system and life eternal in a perfect  
world where her loved ones can see her again. I pray you will be  
comforted in knowing this is not the last time you will be with her.
