“ Johnny, Tommy, Cynthia, Roy and James.  
I just wanted to extend condolences to you all on the passing of your Mom. I'll never forget all the good times around the neighborhood, fooling around, playing games, and generally getting into trouble. Between my Mom on one end of the street and Mrs Tomlin on the other end, it seemed we kids could never get away with anything. They kept us out of a lot of trouble.  
I'm sorry I wasn't able to say hello to anyone at the service. Mom wanted to be there, but she wasn't able to make the trip from Wharton.  
Please take care and let us know if there's anything we can do.
