“ Josh and family and friends,

*We have lost a wonderful, loving person. I have known Jeanette all my life. Growing up our families gathered frequently at our grandparents' house. After graduation, I came to Houston looking for a job and Jeanette graciously shared her little efficiency apartment with me until I could get my own. We ended up sharing two different apartments and did much together. In the last few years she was a great inspiration to me the way she bore her health challenges – always so mindful of and thankful for her blessings. Her faith was such a consolation to her, and she was so filled with joy even midst the pain that life brought her. She fiercely loved her family and friends and will be missed by so many people.*

*My sincere sympathy,

“ To: Josh and Family,

*I am so sorry for your loss, Jeanette was someone who taught you life lessons. I always sat outside her office when we worked together at Tenneco, Inc. She would always tell me to read; read everything. I will miss her Christmas Cards, she always sent out the first Christmas Cards each and every year. She was truly an inspiration to me and she will be dearly missed.*

*Love,*

“ My dear friend Jeanette, We met in 1st grade. We were friends to the end. We have shared secrets, stories, laughs, experiences and tears. I will miss your calls, your kind words and your Christmas cards. You were smart, beautiful and fun to be with. You had a way of making a person feel like they were the most important friend in your life. I love you my friend and will remember you always. Give Jo Ann a big hug from me. Save a place for me...

“ I am honored to count Jeanette as a friend. We attend Holy Family Catholic Church with her and knew her as a sweet, loving, kind and giving woman. She always greeted you with a smile and a kiss before the pandemic. We were on the money counters ministry together and shared many stories with each other. She was so patient through all her surgeries and chemo treatments. May she Rest In Peace. I'm sure a chorus of heavenly angels greeted her in heaven.
