“ I have thought so much about your family over the years. Especially your Mom..I got to see Jeanne at our 50th class reunion and play catch up. Pam Wesley always kept me posted on her through the years. I always remember eating ice cream with chocolate syrup and malt sprinkled on top after school. I remember going to your grandmothers and eating great food and getting to drive on the country roads. I will miss her!

*Keeping you in my prayers,*
