“Gina, you and the girls have been in our hearts and prayers since hearing of Jeff's illness. It was a sad day when we heard of his passing. May he rest eternally in the arms of Jesus. Such a short time ago we joined you on the cruise and saw your two precious souls joined in one. What a celebration! Until we meet again, peace to you and the girls and his family.

“ I had the great pleasure of working with Jeff for over 20 years. Most interaction was on the phone, but I occasionally got to spend time with him in person. i always enjoyed sitting and talking with Jeff, and looked forward to it whenever I was in the Katy area. He was such an easy going guy. We often discussed our faith in Jesus. I'm going to really miss him here, but find joy in knowing I'll see him again.

*Prayers for all his family, especially Gina, Hope, and Kaylee. May God's grace and peace be continually with you.*

“ I've had the blessing of knowing Gina and Jeff for 4 years now and we consider them close friends. When we first met Jeff, my husband couldn't stop talking about what a great, genuine, and awesome person Jeff was. You don't find people like Jeff very often so when you do, you cherish it and you hold on to them. He was real and will be so sorely missed. My heart is breaking for Gina and the girls- we consider them extended family and have shared so many great moments with them. For the short time we had to know him, we're forever grateful. Gina, Hope, and Kaylee-you're loved by a village and we're here for you any time-day or night.

“ We had the privilege of meeting Jeff and Gina through mutual friends several years ago!! Joining their group of campers was one of the most fondest memories I have ever experienced in my adult life! We became not only friends of this “special group”, but part of a new family!! The loss of Jeff was like loosing one of my own family member! The pain is intense, but in time we can all sit around our campfire and reminisce about the joy and happiness this man had on our lives! We love you Jeff!! Gone for now, but never forgotten! God Bless this family!
