“ Jesse was the grandfather of my wife. He was by far one of the best men that I have ever met. He was a father figure for her, and I was always grateful that he entrusted me with her. He was an amazing great-grandfather to our children, and the love that he showed them along with all of his grandchildren and great-grandchildren was a measuring stick for others to follow. He was an example of love, patience, and honor. I will always carry the memories of our jokes, laughter, and the hugs you gave. Thank you for always making me feel like I was part of the family, right from the very beginning.
