I saw in the paper that your beloved Jesse had passed away.
Please know I do think of you often even though we haven't talked
in a long while. You were a very "special" person in my life for many
years. Jef and I offer our condolences and prayers at this sad time.

“ *My heart is heavy for you and your family. I truly loved talking to
Jesus when I took my mother Suzanna Cervantez Pacheco to visit.
The Cervantez family and Jesus's family were childhood friends.
Jesus had a love of the genealogy of his family and he shared his
work with me. His life work should be preserved.*

*Simona and Robert, we love you and will keep you and your family
close in our hearts. God bless you for your devotion to Jesus and
his care in his later years.*
