“ Carol, Terri, and Mark and families  
Our deepest condolence to all of you. Jimmy and Carol have been excellent neighbors for 36 years and will be missed. We will always remember how much he enjoyed his tractor and doing his yard. He took wonderful care of his family especially Carol. God bless all of you.

“ My deepest prayers go out to Coach Hensley's family. I have so many wonderful memories of Coach Hensley from him as a coach and teacher. There are not many teachers that take the opportunity to get to know their students on a personal level but you did. I remember the time you took Allen, Tommy, and me to wrap a house but my best memories are coming to see you every Halloween to bring you a little extra toilet paper even though we left it in your trees. Coach Hensley was a tremendous motivator who taught you it was important to play with your heart as well as your strength. Thank you for caring so much for your students.

“ Jimmy Hensley was a great coach and teacher of young men. He taught his players character and life's lessons through sports. I appreciate his friendship and guidance in the years that I had the pleasure to work with him. He will be missed by all.

“ Carol, Teri, Mark, and family,  
Your husband and dad was so special to both of us as a friend,  
teaching partner, and neighbor. We will always remember his love of  
hunting with his buddies, his pride in all of his tool treasures, and his  
Kubota tractor. We will also remember his special love and care for  
his wife Carol.  
Our sympathies are with you. Jimmy will hold a special place in our  
hearts.
