“ *Dearest Debby,*  
*Jimmy became my brother when he married you 30 years ago. I grieve with you and wish I could be there with you. I am always here and I love you dear sister. Jimmy raised my brothers children as if they were his own. All of our family were very grateful that this good, honorable man found you & the girls and gave you the love you so richly deserved.*

“ *I grew up across the street from Jim, when I was a kid. He was so nice to us kids in the neighborhood. I remember we would all go over to get Popsicles. He had a bubble gum machine, he would give me his own change so I could have some. My dad and Jim were friends for many years, everyone who knew him knew he was a good guy. My heart hurts today. My condolences to Debb, and his family, friends and all who knew him. He will be truly missed and I will forever remember his kindness. You will always be remembered.-Tricia Emig*
