“ *Jason and family, I was saddened to learn of your dad's passing, and it was evident it was coming because I saw you and others at his house in the past month, due to our parents are neighbors, and I am at mom's house almost daily. I know it is hard because I lost my dad in March. and father in law in February, so we have had a very tough year, and the loss of a parent is very hard, and seems to never go away for me, even today Last year, since my in laws have a farm, your dad gave me 5 of his white Leghorn chickens that were getting out in the neighborhood. It was a pleasure to get to spend a little time with him when my wife and son came with me to catch and cage the chickens to haul to Needville. And as always, your dad was the Mr. Jim I remembered growing up with-rough and tough to the end. Our prayers are with all of you. Greg Antrich & family.*

“ I have known Jimmy many years & have found that if you needed him, he'd be there. He was always willing to share the bounty of his hunting with you. He wasn't perfect (as none of us are) but he always tried. Rest in Peace my friend!
